Docket No. 98N-1265  
Food and Drug Administration  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: The compounded medication  
I use is not available locally.  
It is beneficial to me, and  
without it I would suffer  
many symptoms of menopause.  
Pharmacies should not be  
restricted in the number of  
prescriptions they can ship  
out of state.
